NO. 83.

MAUD AND THE JUDGE.

Maud grasped the 'phone with practiced ease, and softly asked, "What number please?"

Said the Judge: "I'll ask you just once more
To get me four six forty-four,"

"Just hold the line," said smiling Maud,
And the Judge just murmured, "How long, Oh Lord?"

He held that line till his face was black,
And the nervous chills crept up his back.

At last he called her up once more:
"Oh, yes," said Maud, "four forty four."

The Judge's voice grew tense and sore;
"I told you four SIX forty-four!"

"Oh, yes," her voice came far and fine,
"Just wait till I get them on the line."

Again he waited and then he tried
Wiggling the steel thing at the side.

Maud's voice stole into his legal den,
"They're busy now, call up again."

He slammed that 'phone on the table there,
And ground his teeth and begun to swear.

"Of all the words of tongue or pen,
The d—dest are these," "Call up again!"

HUBBLE.

Tom McMillan is back at his old stand, shoeing horses for 60c cash.

Miss Maggie Adams and Jessie Yakey were married at Lancaster last week.

J. M. Rankin has not yet heard of his family mare which was stolen Saturday night, but he has offered a liberal reward for her recovery.

Adam Kelley has moved to Hedgelyville. Logan Hubble and Grover McKechnie will return to Kentucky University Sunday to resume their studies.

Mrs. Mamie Haniel is on the sick list. Miss Evelyn Carson has resumed her duties as teacher here after spending the holidays with her parents at Houstonville. She is conducting a successful school.

H. C. Walter sold some hogs to Jack Yakey at 50c. George James sold his crop of tobacco to Harrodsburg parties at 10c all around. B. W. Glvens and G. A. Swinebroad sold some sloop hogs to Eubanks & Hubble at 6c.

John Dennis and family have moved to Nicholasville. "Tub" Anderson has moved from Marcellus to his old stand here. Miss Jewell Spoonamore entertained a few friends very delightfully Tuesday evening. Bona McKechnie returned to American University Wednesday, after a visit to his parents here. E. B. Miller is visiting his son, Frank, in Indianapolis.

"Judge," said the prisoner, "I would like to ask a few questions before I enter my plea."

"You have the court's permission said the Judge."

"If I go on trial," said the prisoner, "do I have to sit here and hear all the hypothetical questions asked by the lawyers?"

"Certainly," said the Judge.

"And hear all the handwriting experts?"

"Of course."

"And follow the reasoning of the chemistry and insanity experts?"

"Very probably," said the Judge.

"Well, then, Judge, I will enter my plea."

"What is it?" asked the Judge.

"Guilty."

A Jamaican Lady Speaks Highly of Chamberlain's Cough Remedy.

Mrs. Michael Hart, wife of the superintendent of Curt Service, at Kingston, Jamaica, West Indies Islands, says that she has for some years used Chamberlain's Cough Remedy for coughs, croup and whooping cough and has found it very beneficial. She has implicit confidence in it and would not be without a bottle of it in her home. Sold by the Stanford Drug Co.

Wise Counsel From the South.

"I want to give some valuable advice to those who suffer with lumbago and kidney trouble," says J. R. Blankenship, of Beck, Tenn. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief and after taking a few more bottles, I was completely cured; so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at Penny's Drug Store. Price 50c.

KINGSVILLE.

A sweet little girl has arrived at the home of Mr. and Mrs. G. A. Walter. James Smith Horton died at his home near here and was buried at Pleasant Point.

Eld. J. G. Livingston came to fill his last appointment, but on account of the rain and general inclemency of the weather, he did not hold services.

Mrs. Laura Lee went to Middleburg Tuesday to visit friends. J. Ed Boland, of Burnside, was the guest of E. W. Creighton. Elmer Gooch, of Auburn, was the guest of his brother, C. M. Gooch. Revel Gooch, of Somerset, was here this week. Little Miss Dell Rigney has returned from a visit to her brother's family at Wilmore. Craig Butt and wife have moved back to Somerset. Miss Elsie Carey is at home from Lexington, with her mother. Wesley King, wife and son, Chester, have returned to their home in Louisville. Miss Madge King, of Lexington, is the guest of her mother here. Hendricks Hays, of Danville, and Clinton Johnson, of Waynesburg, were to see two our prettiest girls. Wm. Carey, of the C. S., spent the holidays with his wife and son. D. C. Allen and Leslie M. Reid spent part of the holidays with friends here.

The entertainment given at the close of school was a decided success. The music was exquisitely rendered by Mrs. Laura Lee and the drills, pantomimes, recitations, etc., were splendidly executed and elicited great applause from an appreciative audience. While all were excellent, we make especial mention of an exercise in expression entitled "Come Play With Me," in which Masters Russell Thompson, Itulsee Acton, Richard Trimble, Oliver Smith and little Misses Mabel Flint, Stella Leach, Esther Murphy and Grace Thompson acted their parts to perfection. Miss Bessie Lee entertained with a humorous reading. But all were so good that it is rather invidious to particularize. Mrs. Lee and Miss Dye certainly deserve great credit for the training they have given their pupils. The box supper following the entertainment was a pleasant affair and a financial success also. The proceeds are to be used toward the purchase of an organ. An oyster supper will be given later for the same purpose. Misses Gillan and Long are to teach the Spring term.

Count Von Zeppelin (Germany) in an airship, travels 33 miles an hour.

The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by the Stanford Drug Co.

The Mt. Sterling City Council passed an ordinance to keep minors from entering saloons by placing a fine of \$10 to \$20 upon the saloonkeeper who allows minors to enter his place or to loiter or loiter there. The ordinance also subjects the minor to the same fine.

How to Cure Chills.

"To enjoy freedom from chills," writes John Kemp, East Otisfield, Me., "I apply Bucklen's Arnica Salve. Have also used it for salt rheum with excellent results." Guaranteed to cure fever sores, indolent ulcers, piles, burns, wounds, frost bites and skin diseases. 25c at Penny's Drug Store.

Joe Gans knocked out Kid Herman in the ninth round at Tonopah, Nevada. It was an easy game for the Negro.

Disturbed the Congregation.

The person who disturbed the congregation last Sunday by continually coughing is requested to buy a bottle of Foley's Honey and Tar. G. L. Penny.

An Insidious Danger.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. G. L. Penny.

Reports from Western Kentucky indicate that further rains will seriously damage railroad property. The Illinois Central already is reported under water at Nortonville. A heavy rainfall at Paducah did considerable damage, flooding cellars and interfering with all kinds of traffic.

Gov. Luke P. Blackburn, whose reputation as a physician and philanthropist is too well known to need further comment, once said "Concentrated Crab Orchard Water is the best aperient known to the medical profession and will cure more diseases than any one remedy I have ever used." Get a bottle of White's Diamond Brand Crab Orchard Water. For sale by all drug gists and country stores.

Gov. Hughes, in his message to the New York Legislature, advocates many reforms, and declares himself strongly in favor of a recount of the vote in the Hearst-McClellan mayoralty contest.

Mayor Clarence E. Woods, of Richmond, was re-elected grand recorder and editor of the Delta at the National Convention of the Sigma Nu fraternity, in session at the Auditorium Hotel, Chicago.

The bridge over Green river on the Campbellsville and Columbia turnpike was destroyed by fire. The bridge was built in 1865 to supply the one burned by Gen. Morgan in 1864. It was situated on the center of the bluff upon which was fought the battle of Green river bridge. The cause of the fire is unknown.

Former Mayor David R. Tevis shot and slightly wounded Daniel Taylor, a Negro train porter, at Richmond. The Negro had threatened Tevis on a Louisville & Nashville train several days ago and was arrested at that time. Taylor was released on bond and when Mr. Tevis met him at the depot the Negro reached for a rock and Mr. Tevis used his gun.

John S. McClure, aged 96, grandfather of Mrs. Mary Carr, of this place, had a fall at Moreland, which it is feared, will be of serious consequence. How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orin's Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orin's Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. G. L. Penny.

MR. SAMUEL T. HARRIS, one of Lincoln's best horse and stock men, after an inspection of the catalogue gotten out by Messrs. Dunn and Beazley for their combination sale on the 16th and 17th, says it is one of the best he has seen for a long time. He also speaks in praise of some of the sale stock which has already arrived.

Cut this out and take it to the Stanford Drug Co., and get a free sample of Chamberlain's Stomach and Liver Tablets. These tablets are far superior to pills, being easier to take and more pleasant in effect. They correct disorders of the stomach, liver and bowels.

Secretary of the Treasury Shaw, in a statement, admits defects in the present currency system, but points to the country's unexampled prosperity, and says there is no cause for alarm.

MR. WITTE, the great Russian statesman and financier, takes no stock in the talk about Japan declaring war on the United States. It is his opinion that many years must elapse before Japan will again be able to undertake a war with any first-class power. Her resources were nearly exhausted by the struggle with Russia. She must recuperate before she can again assume offensive operations. At the same time she must keep up the rate of expenditure demanded for the maintenance of her sea power so as to hold possession of the territory acquired as a result of the wars with China and Russia. The hard-and-fast alliance between Japan and England, made to assure the Asiatic holdings of both powers, is in itself a guarantee against any project of war with the United States if their were no other restraining consideration.

PRESIDENT ROOSEVELT'S anti-race-suicide theories are to receive the hearty indorsement of Chicago's union labor, says a dispatch. An organization is being perfected which will place a premium on child-birth. One hundred dollars is to be paid to the wife of each member of the association at the birth of a child. Should the stork leave twins at the home of a union man the premium will be raised to \$250, and \$500 will be paid cheerfully in the event of triplets. There are two objects of the proposed beneficiary organization, one of which is to insure the father and mother of a stated sum at a time when it is greatly needed, and the other is one which has back of it purely union principles—to remove women from the field of labor and place them where they say they rightfully belong, in their homes.

At least 33 persons were killed and 55 injured in a wreck caused by the collision of two passenger trains on the Chicago, Rock Island & Pacific railroad, four miles west of Volland, Kan. The accident is said to have been due to the carelessness of a telegraph operator. This is the second horrible wreck in a few days. The other occurred on the B. & O. near Washington City.

AN explanation of the car shortage is that the roads, especially at New York, allow consignees to let their goods remain in the cars for a dollar a day. In the matter of apples alone 200 cars have been tied up there, but the order prohibiting the practice will add greatly to the available rolling stock of the country.

THE Somerset Times is the name of a new democratic paper to be launched at Somerset soon. Messrs. Cecil Williams and Woodson May are the promoters. The former gentleman began his journalistic career on this paper and has since assisted Mr. F. J. Campbell on the Somerset Journal.

Two more deaths occurred at Paducah from tetanus as the result of wounds from toy pistols used to celebrate the holidays. The total death roll from this cause now numbers five. Beware of such toys.

THE Kentucky State Journal has very sensibly decided to take no more advertisements on its front page after Feb. 1. It looks extremely "country-fied" to see the best page of a daily given to advertising.

Look out for a raise in coal oil, gasoline, axle grease, etc. John D. Rockefeller has made the University of Chicago another gift, this time \$3,000,000, making \$19,416,922 he has given to that institution.

THE Courier-Journal's financial and industrial edition was a hummer. It not only showed the magnificent condition and increase of business of the Falls City but was a fine specimen of the printer's art.

POLITICAL.

Charles M. Floyd, Republican, was elected Governor by the New Hampshire Legislature.

The election of Simon Guggenheim as Senator from Colorado to succeed T. M. Patterson is assured.

The annual report of the Philippine Commission says the financial condition of the islands is better than for several years past.

It is expected that Congress will adopt Senator Foraker's resolutions providing for an investigation of the Brownsville affair.

The Interstate Commerce Commission reached an agreement to investigate the block signal systems on both the Southern and Baltimore & Ohio railways.

Charles E. Hughes was inaugurated governor of New York. His address was brief, the ceremonies in the capitol at Albany occupying little more than half an hour.

Several policemen were called in to preserve order at a special meeting of the Atlanta city council at which epithets were exchanged by Mayor Woodward and Alderman Key.

Only two months remain of the present Congress and then many misfits will return home, never again to be heard from. It is tough on them but the country will be glad to stand it.

At a meeting of the Pulaski Democratic County Committee, Matthew Warren tendered his resignation which was accepted, whereupon Robert Brown was elected chairman and William Waddle secretary.

Gov. Magoon's transfer from Cuba to the Philippines as vice governor, it is said, means that he will, before long, become governor general of the islands, succeeding Gov. Gen. Smith. It is claimed affairs in the islands are not progressing smoothly; that the Filipinos are discontented and are becoming more difficult to control.

MATRIMONIAL.

Harvey Burton and Miss Laura Hendricks, Madison county young people, were made one on the 1st.

G. W. Rogers, aged 29, and Miss America Millard, 16, were married at James Millard's yesterday.

Miss Mamie Oaks, sweet 16, and Arthur Young, of the Saulley neighborhood, were quietly married by Rev. R. R. Noel Wednesday. The bride is a handsome young lady and highly respected by all. The groom is an industrious young man and popular with his many friends.

Mr. William P. Logan and Miss Kittie Benzley drove to Lancaster Wednesday and were united in wedlock's holy bonds. The groom is a prosperous young farmer, a fine business man and a clever gentleman. His bride is a daughter of the late E. B. Benzley and is a very lovable and popular young lady. They had been sweethearts for years and now that their fond hopes have been realized they should be very happy. They will be at home to their friends on the old Levi Hubble farm, near Shelby City, after this week. THE INTERIOR JOURNAL joins their host of friends in wishing them a long and happy married life, with all the good things that can come their way.

Blue Grass Farm for Sale!

I wish to sell my farm, 3 1/2 miles West of Hustonville, 1 mile from pike and Carpenter's Station, consisting of 185 acres of rich, blue grass, hemp or tobacco land, all in grass. This farm can be equally divided to advantage so as to have a good dwelling on each place; also necessary outbuildings. The farm has almost in a square, only one angle in line. There are three stock barns, 1 good tobacco barn, 2 stables, 1 tenant house, good water in every field, six bathing springs with 3 streams running through whole tract.

A NEW ENGLAND comedy entitled "Along the Kennebec" will be presented at Walton's Opera House on Wednesday evening, Jan. 9. The play is a comedy, pure and simple, with an absence of cheap sensationalism but an abundance of good, clean comedy, something that we laugh at and not understand afterward what we laughed at. The funny duel scene in the third act is said to be a pretty good cure for the blues, for the evening at least. Their splendid orchestra will please all lovers of good music.

Burley tobacco growers, in session at Winchester, declined to follow suggestions made by James Andrew Scott, who advised a secret organization and a coat of tar and feathers for agents of the trust who operate in Kentucky. The success of the Burley movement is still in doubt.

The announcement by the district committee of the Burley Tobacco Society that 54 per cent. of the crop has been pooled with the organization was received with enthusiasm throughout the section growing that variety of the weed. After an executive session the committee adjourned till Jan. 15, three days after the time to which the period for pooling has been extended.

MESSAGE FOR THE NEW YEAR.

Oh, struggling soul, be strong,
Make this a glad New Year,
And life one grand sweet song
Some other life to cheer.
No time hast thou to dream,
Or waste life's precious hour;
While borne upon life's stream
Waste not thy manly dower.

Amid the busy din,
Toiler, think not of rest,
Great battles thou must win;
This New Year do thy best.
Oh, manly man, be strong,
Let noble passion sway,
And loves triumphant song
Make glad each passing day.

Let this New Year be glad
O'er victories you have won;
No hour should e'er be sad
When manly task is done.
And should the storm at sea
Toss you on billowy breast
Let him, the Man of Galilee,
Speak words of peace and rest.

This glad New Year be strong;
Make brave and noble fight
'Gainst giant forces of the wrong;
Stand thou for truth and right.
May no dark hour betide
When thou shalt still thy song
Or peace of God cease to abide—
Oh, manly man, be strong.

Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by the Stanford Drug Co.

In the Fayette circuit court the cases against James and Ethelbert Hargis and Ed Callahan, charged with the murder of James Cockrell at Jackson, were continued until the April term, as the court of appeals has not passed on the former trial.

Cured of Lung Trouble.

"It is now 11 years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds." Thousands of persons are healed every year. Guaranteed at Penny's Drug Store. 50c and \$1. Trial bottle free.

The record of deaths by murder and violence during the year 1906, or up to Dec. 26, shows that the number was 9, 350, or 38 more than in 1905.

The Right Name.

Mr. August Sherpe, the popular overseer of the poor, at Fort Madison, Ia., says: "Dr. King's New Life Pills are rightly named; they act more agreeably, do more good and make one feel better than any other laxative." Guaranteed to cure biliousness and constipation. 25c at Penny's Drug Store.

In a fight at Pine Top, Knott county, Harrison Stone, Walter Hanks and Walter Thomas were killed.

FOR SALE OR RENT.—The J. W. Perrin cottage on Lancaster street. This place can be bought at a bargain. For particulars apply to L. R. Hughes, Stanford, Ky.
